Period of retention of personal data

We explain below the period of retention of personal data or, if this is not possible, the criteria used to determine this period.

Personal data and documents	Retention period or criteria for determining it
Personal data and documents relating to the contractual relationship	For the duration necessary to pursue the purposes of the processing and also subsequently, within the limits granted by law, for administrative, accounting and tax purposes, as well as to assert or protect the rights of the Controller, where necessary

Rights of the data subject

We inform you of the existence of certain rights provided by the GDPR with regard to personal data and the processing thereof that you may request from the Controller.

Right	Description	How to make it effective
Right of access to data (art. 15)	You may request: (a) the purposes of the processing; (b) the categories of personal data concerned; (c) the recipients or categories of recipients to whom the personal data have been or will be disclosed, in particular where they are recipients from third countries or international organisations; (d) where possible, the envisaged period for which the personal data will be stored, or, if not possible, the criteria used to determine that period; (e) the existence of the right of the data subject to request the Controller to correct or erase the personal data or to restrict the processing of personal data concerning him or to object to their processing; (f) the right to lodge a complaint; (g) all available information on the origin of data, when they are not collected from the data subject; (h) the existence of an automated decision-making process, including profiling as referred to in Article 22(1) and (4), and, at least in such cases, relevant information on the logic used and the importance of and the anticipated consequences of such processing for the data subject. You have the right to request a copy of the personal data being processed.	Forms on the website or available from the Controller
Right of rectification (art. 16)	You have the right to request the rectification of inaccurate personal data concerning you and to obtain the integration of incomplete personal data	Forms on the website or available from the Controller
Right to be forgotten (art. 17)	You have the right to obtain from the Controller the erasure of personal data concerning you if the personal data are no longer necessary with respect to the purposes for which they were collected or otherwise processed	Forms on the website or available from the Controller
Right to restriction of treatment (art. 18)	You have the right to obtain from the data Controller the restriction of the processing when you have complained about the accuracy of the personal data (for the period necessary for the data Controller to verify the accuracy of such personal data) or when the processing is unlawful, but you oppose the erasure of personal data and instead request that they be restricted in their use or when the data are necessary for the establishment, exercise or defense of a right in court, while the Controller does not need them anymore.	Forms on the website or available from the Controller

Right to data portability (art. 20)	You have the right to receive in a structured format, commonly used and machine-readable, the personal data that you provided to the Controller and you have the right to transmit them to another controller if the processing: (i) was based on consent, (ii) was based on contract and (iii) and if the processing is carried out by automated means, unless the processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority and such transmission does not infringe the rights of a third party.	Forms on the website or available from the Controller
Right to object (art. 21)	You have the right at any time to object, in whole or in part, to the processing of your personal data if the processing is carried out for the pursuit of a legitimate interest of the Controller or if the processing is carried out for direct marketing purposes. In this case, the personal data will no longer be processed for these purposes.	Forms on the website or available from the Controller
Right to lodge a complaint with a supervisory authority (art. 77)	You have the right to complain to the Control Authority if you consider that the processing of your data is in breach of the GDPR	

The exercise of these rights is subject to the limits, rules and procedures laid down by the GDPR. The data subject must know them and implement them. Furthermore, in accordance with the provisions of article 12, paragraph 3, the Controller shall provide the data subject with information relating to the action taken without undue delay and, in any event, no later than one month after receipt of the request. This period may be extended by two further months, if necessary, taking into account the complexity and number of the requests. The Controller shall inform the data subject of such extension, and of the reasons for the delay, within one month of receipt of the request.

Changes and updates

This information may be subject to change and/or addition, including as a result of the applicability of the GDPR and any future changes and/or regulatory updates.

The updated information is constantly available on the website of the Controller.

The personal data provided may be processed by the Data Controller with or without by computer tools.

We also inform you that the communication of your personal data for the mandatory purposes indicated is a legal or contractual obligation or a necessary requirement for the performance of contractual obligations, so you have the obligation to provide personal data, because otherwise you will not be able to manage the relationship with the Company.
